Times Change . . .

and youth flees . . .

But the memories are
ours to cherish.

BY SUPT. AND BOARD . . .

Future Plans Made

Superintendent Lawrence Miner and the R-7 School Board have done some in depth planning this year for improvements that are to be made at W.C.H.S. in the near future. At their request, a Kansas City architectural firm is now completing a master plan which includes additions such as tennis courts, a softball field, a new recreational field, and street development in the area. Plans for an increased number of athletic activities for girls are being made for the immediate future. When asked how he felt about female participation in athletics, Mr. Miner agreed that they should participate if they so desire. Pictured Clockwise Starting Below: Mr. Miner relaxes with a cup of coffee at School Board meeting; The School Board discusses school policies during regular monthly meeting; Paul Tumola, Joplin Globe reporter and Marta Poynor, Carthage Press reporter, cover a School Board meeting; Mr. Lawrence Miner, Superintendent; School Board members; James Hickam, Dr. Darrell Miller, Max Collins, president, Terry Jeffries, Madge James, Secretary, George Herold, and Terry James.

Work Performed

Did you ever find yourself wondering how the school system is kept running smoothly from day to day, throughout the year? If you were to take a behind-the-scenes look at who was responsible for its operation you'd discover a large group of supervisors and personnel who work towards that goal every day. Each of these people play a necessary role in the organization of our school, its projects, plans, and activities. Pictured Clockwise Starting Below: Mr. George Garrison, Supervisor of Purchasing and Maintenance; Mr. Floyd E. Leonard, Assistant Superintendent of Elementary Division; Betty Shecklles, Secretary to Superintendent; Hazel Faulkner, Secretary to the Supervisor of Purchasing and Maintenance; Joyce Cruzan, Secretary to Superintendent; Ann Witherspoon, Secretary to Elementary Superintendent.

BY ADMINISTRATION . . .

Changes Promoted

It was indeed a fortunate set of circumstances that allowed WCHS to change its academic curricula within two years of changing its physical facilities. The improvements would have come anyway due to state-wide changes in graduation requirements, but in the words of Mr. Daugherty, "The new school added to the flexibility of courses." On these pages are the people who designed the major changes in the school. In their continuing endeavor to provide a more comprehensive scholastic program we commend the administration of Webb City High School. Pictured clockwise starting below: Mrs. Marge Fullmer, High School registrar; Mrs. Karen Wilson, Secretary to the Counselor; Mrs. Kay Clark, Secretary to the principal and assistant principal; Mr. Fred Daugherty, principal, converses with students; Mr. Wayne Cook, assistant principal.

IN ENGLISH . . .

New Courses Offered

The year 1975 brought several changes in our English department. Possibly the most noticeable was the extensive variety of classes offered in the English curriculum. The changes were brought about by additions of one-semester classes which cover a wide spectrum of interests. These classes consisted of media, sports and contemporary English. Pictured Clockwise Starting Below: Mrs. Linda Benson, Miss Nydia Jenkins, Miss Debbie Betz, Mrs. Margarite Croxdale, Miss Roberta Hill, Mrs. Marilyn Dishman, Miss Barbara Jones, and Mrs. Barbara Queen.

Students Choose

How would you like to travel back through time and walk the streets of ancient civilizations, relive the violent era of the war between the states, or perhaps even involve yourself in the crazy, mixed-up period of prohibition and the flappers? Student involvement, that's the main objective of this years Social Studies department. Semester courses have been designed in such a way that the student not only learns the sometimes trivial facts, but can also become a part of the trials, emotions, and actions of each historical period. Pictured Below: Mr. John Green, Publications, Social Studies; Pictured Below Right: Mr. Walter Cochran, Social Studies; Pictured Far Below Right: Miss Linda Feland, Social Studies; Pictured Far Right: Mr. Charles Meadows; Social Studies; Pictured At Right: Mr. Alfred Jenkins, Social Studies.

Experimentation Used

The science department for the 1974-75 school year has expanded beyond the classic idea of just "book learning." This year the teachers are placing greater emphasis upon the fact that knowledge goes hand in hand with experimentation. Each student is given the opportunity to explore the basic laws of science first hand. Through the use of this invaluable method of teaching, the pupil is permitted to experience and observe the strange, but intriguing ways of Mother Nature. Pictured Below: Mr. Mac Tappana, General Science; At Right: Mrs. Barbara Meadows, Biology; Lower Right: Mr. John Childs, Chemistry.

BY MATH DEPT. . . .

Concepts Taught

There isn't a day that goes by when Mathematics is not used in one form or another, and yet, to many people, Math, especially the higher forms of algebra and calculus, seem like some large, dark and totally unknown cavern. Pictured on this page is the Math faculty of W.C.H.S. whose purpose is to light the darker recesses of geometry and algebra in order that you might see them more clearly. They, perhaps more than any other group of teachers, hear the phrase "I don't understand . . ." and yet they keep striving to pass the light of knowledge from themselves to their students. Pictured Upper Left: Mr. Robert Mamman, General Math, Geometry; At Left: Mr. Gary Smart, Advanced Algebra, Math Analysis; Above: Mr. Randy Jones, Physical Science, Algebra.

Students Learn Trade

What kind of classes prepare students to take their place in a society of business and industry? The obvious answer is vocational classes, which are offered in abundance here at Webb City. Pictured Below: Mr. Steve Talbot, Auto Body; At Right: Mr. David Cogbill, Building Trades; Below: Mr. Tom Sapporito, Drafting and Woodworking.

This particular area of curriculum includes Typing, Bookkeeping, Shorthand, General Shop, Woodworking, Power Mechanics, Industrial Arts, Auto Mechanics and Home Economics. Also included are many Fine Art subjects such as Art, Band, and Choir. Classes such as these, serve to develop skills, talents, create good working habits and provide a medium of self-expression during leisure time. These classes and their specialized methods of training are valuable assets to both ourselves and our society. Pictured Upper Left: Mr. John Peck, Auto Mechanics; At Left: Mr. Dave Miles, Shop; Above: Mr. Curtis Kamler; Shop, Woodworking II.

Classes Reorganized

At the heart of Webb City's reorganization program this year were the counselors. Although the faculty and students had long desired such a change, it had to be Mr. Neely and Miss Mitchell who put the actual mechanics of the operation into gear. They were the ones who brought order and sanity out of the chaos of different courses, schedules and time periods. They richly deserve the congratulations which we, the King Jack staff offer them. Pictured Below: Mr. Wayne Leake, Librarian; At Right: Mr. Steve Neely, Counselor; Lower Right: Miss Sherrie Mitchell, Counselor.

IN TRANSITION . . .

Faculty Succeeds

But in our appreciation of our counselors let us not forget the other fine members of the faculty who strived to make the transition of courses a success. Mr. Leake, Major Fleming, Sgt. Shoup, Mrs. Patt and Mrs. Hale all lent the knowledge, experience, and hard work to make this the most successful year of Webb City's history. Pictured At Left: Major George Fleming, Lower Left: Mrs. Elouise Patt, Below: Harold Shoup, Lower Right: Mrs. Marie Hale.

Students Served Well

The year 1974 caused not only an academic change but an economic one, especially as far as the school lunch program was concerned. Students watched the prices in the snack bar raise while food servings were reduced. Meanwhile, our six cooks battled inflation but still managed to provide nourishing meals for the student body. Pictured Above Right: Judy Drake, supervisor, prepares rolls for noon meal. Pictured Far Below from Left to Right: Judy Drake, Helen Elliot, Dorthy Boyd, Virginia Prigg, Arla Parkinson, and Pat Durbin. Pictured Below: Pat Durbin washes up before the hectic day begins.

Employees Valuable

These changing times affected everyone at W.C.H.S. including the janitors. These men found themselves working longer hours as they saw to the general maintenance of the new building and the surrounding campus. Additional time is spent preparing the cafeteria and gymnasium for every dance, program, and athletic event that is held. Even after the last cheers have died out and the crowd has gone home, the janitors remain at the school preparing for the next day.

Organizations

Schedule Heavy

The 1974-75 school year brought about a new look for the Mighty Marching Cardinals with the arrival of new uniforms. These uniforms were black with columbia blue overlays. A white overlay with a large red Cardinal was used for the Football Homecoming performance. Their hats trimmed in blue made Dean Salchow's Marching Cardinals one of the best dressed bands in Southwest Missouri. Starting the year off the band performed in many football shows, and parades including the Branson Christmas parade. The band performed in two concerts. These were the Christmas concert and the Spring concert. The Musical Cardinals also played an important role in the production of "The Sound of Music." A group of 18 band students made up the Musical's pit band. The Concert band's last performance for the 1974-75 school year was during Commencement for the class of 1975.

Students to State

Concert Choir, under the direction of Miss Sherrie Mitchell, became a full credit course this year. The result of a full hour's practice each day was a #1 rating at the Miami Music Festival and also a #1 at the District State Contest. Concert Choir and Webb City Singers provided music for many events this year, including Spring Concert, Baccalaureate, and Commencement. Nineteen seventy-five was a very successful year for all members of Concert Choir and Webb City Singers.

Pictured Clockwise, Starting Below, are Webb City Singers; Concert Choir; Choir Officers, Vice-Pres. Rick VanPelt, Secretary Amanda James, and President Rick Gordon; and accompanists for Webb City Singers, and Madrigal.

Two of Miss Mitchell's smaller groups, Madrigal and Senior Sextet, journeyed to the state music contest in Columbia, Missouri. With the extra effort put forth by Miss Mitchell and the entire music department, Webb City has one of the top music departments in Southwest Missouri.

AT MUSIC BANQUET . . .

Awards Presented

Choir in 1975 meant District and State Music Festivals, Concerts, and the annual Music Awards Banquet. Members of Concert Choir attending the State Music Festival in Columbia were: Madrigal; Senior Sextet; Rick VanPelt; Gary Anthony; Carey Leonard; Tim Wynne; Mark Martin; Laurie Lynch; Carol Hood; Kathy Durbin; Angie Bruner; Donna Hulett; and Patty Witherspoon. Pictured clockwise are Concert Choir in Spring Concert; Robin Dixon receiving Outstanding Pianist Award; Webb City Singers; Rick Gordon and Donna Hulett receiving the National School Choral Award; and Senior Sextet.

Sweepstakes Captured

Sweepstakes 75—the dream of Webb City High School's Speech Department was achieved this year. The squad captured a tie for first place in sweepstakes competition at the 1975 Big 10 Speech Tournament, hosted by Webb City. The Webb City Speech squad participated in various other tournaments throughout Missouri and Arkansas in 1975 and success was more often than not the end result. Pictured Clockwise: Big 10 Speech Squad; Thespian members; Speech Class II, III, and IV; Susan Campbell state Optimist Club Contest finalist; Thespian Vice President Karen Bailey, President Brad Baker, and sponsor Miss Jenkins.

IN DEBATE . . .

Politics Analyzed

Debaters for 1975 found the year full of exciting and challenging experiences. Webb City's debate teams participated in many tournaments in Missouri and Arkansas. Honors were achieved, changes occurred, and new friends were met in 1975 debate. For all the debaters at Webb City High School 1975 was a year of long practice hours, and a lot of hard work, but everyone seemed to agree it was worth it. Championship debaters for 1975 were Brad Baker and Rick Van Pelt; Regular debaters were Scott Martin, Kelli McDaniels, and Gerald Sisk; Novice debaters were Steve Bruner, Becky Deems, Grace Stafford, and Sharon Gretz. Pictured Above: Regular and Championship debaters compete in a practice round. Pictured Right: Championship debaters Rick Van Pelt and Brad Baker participate in cross-examination. Pictured Below: Steve Bruner, Freshman Novice debater, gives his first affirmative constructive speech in a practice round.

"I REMEMBER MAMA" . . .

Fall Play Production

The fall play for 1975 was "I Remember Mama." The cast included; Mama, Kelli Mcdaniel; Katrin, Angie Bruner; Uncle Chris, Rick Van Pelt; Papa, Scott Martin; Dagmar, Kenna Wilson; Christine, Karen Bailey; Mr. Hyde, Tim Wynne; Nels, Brad Baker; Aunt Trina, Cindy Campbell; Aunt Sigrid, M'lou Glover; Aunt Jenny, Kay Albright; Jessie, Sharon Gretz; Mr. Thorkelson, Jerry Sisk; Dr. Johnson, Carey Leonard, Arne, Tim Wynne; Nurse, Colleen Flesher, Another Nurse, Carole Mell; Madeline, Sandy Lake; Dorothy, Kathy Durbin; Mrs. Morehead, Carole Mell.

"Sound of Music"

"The Sound of Music" was presented in Cardinal Theater, as the drama and music departments combined talents to present the Rodgers and Hammerstein musical. Maria Rainer, played by senior Donna Hulett, is sent from Nonnberg Abbey to become a governess in the estate of Captain George Von Trapp, junior Rick Van Pelt. When Maria arrives, she finds that the Captain is not only a strict ship's Captain, but also a strict father who will not tolerate disobedience from his seven mischievous children. Maria's good humor and fun loving nature quickly capture the hearts of the children, as well as the Captain. The problem appears in the form of the Baroness Schraeder, sophomore M'lou Glover, who is engaged to marry the Captain. Further problems arise when the Germans invade Austria and demand that the Captain join the German navy against his will. In the meantime, Maria has taught the children the joy of singing. With the help of Max, senior Rick Gordon, a family friend, the children are entered in the Kaltzberg music festival. The Von Trapp Family uses the concert as a means of escaping over the Swiss Alps to safety. Other cast members included: Kris Meredith, Kelli McDaniel, Cindy Campbell, Carole Mell, Brad Baker, Karen Bailey, Angie Bruner, Tim Wynne, Sue Hulett, Bart Starkey, Robin Dixon, Krystal Ellis, Jeania Young, Gary Anthony, Glenda Cowen, Matt Cantrell, Lanny Woodhull, Jana Wallace, Scott Martin, Barbara Daniels, and Linda Bailey. Chorus of Nuns: Shonna Drachenberg, Suzie Atwood, Melinda Powell, Amanda James, Dottie Cantrell, Kathy Durbin, Georgina Garrison, Debbie Elrod, Pam Byler, and Carol Hood.

JENNY KING . . .

Yearbook Queen

In a major break with tradition, Miss Jenny King was crowned the 1974-1975 King Jack queen between the Junior Varsity and Varsity basketball games with Monett. Amid the clamor and excitement of a major sports event a moment of tranquility was established. While an honor formation of Redettes stood by, Bob Moore bestowed the traditional kiss. Afterward, the queen was presented with roses and her attendants received various mementos of the evening. The attendants were, first runner-up, Miss Linda Prigg (not pictured); second runner-up, Miss Teri Gnunlock (pictured directly below); and third runner-up, Miss Gail Jarmin (pictured below left). The determining factor for queen selection was by the amount of books they sold. Miss King set a record for sales in recent years by selling more than one hundred twenty-five yearbooks.

FOR KING JACK . . .

Change Is Theme

The theme of "Change" for the 1975 King Jack yearbook has meant a lot of late hours for the annual staff. Employing innovative new styles and searching for different perceptions, the King Jack staff has worked diligently to bring you an annual which, we hope, you will enjoy and appreciate for years to come. First year King Jack staff pictured right: John Maples, Elaine Musgrove, and Rick Van Pelt. Editors are pictured above: Kim Conway, Anna Rogers, and Bruce Clark.

FOR ENCIT . . .

Costs Increase

The "Encit" staff this year strived to make the paper one of the best in the school's history. Despite higher production costs, a limited staff of seven seniors, and a general loss of workable revenue due to inflation, the paper improved in many areas. Editorials, investigative reporting, and special features were used extensively this year by the "Encit" staff with considerable success. Under the guidance of co-editors Kay Albright and John McKnight, "Encit" has once again ranked as a quality paper among area schools. Pictured Clockwise Starting Below: Journalism I confers about paper; Co-editors John McKnight and Kay Albright prepare an editorial; Seventh hour journalism spends a light moment in publications; first year journalism reviews past yearbooks; Journalism I relaxes during off-moment.

Activities Numerous

FHA has grown in both membership and activities this year. Some of its activities for the year ranged from the annual initiation to a faculty Christmas banquet. The members also sponsored bake sales, a skating party, caramel apple sales, and as in years past the homemakers had the candlelight installation, a mother-daughter tea, plus the members sent birthday cards to patients at Elmhearth Nursing Home. FHA also sponsored the Sweetheart dance this year with FHA Sweetheart Queen Becky Byler reigning over the dance. Her attendants were Senior Becky Fox, Junior Sharon Parrish, Sophomore Gail Davis and Freshman Brenda Seward. The local organization also participated in a national FHA week February 9-15. All together Webb City's 1975 Future Homemakers had a very outstanding year in both membership and activities.

"ON THE JOB" . . .

Experience Obtained

Membership in FBLA helps to prepare students for future leadership in the business world. Future Business Leaders of America was co-sponsored by Mrs. Coburn and Mrs. Coleman. All of the FBLA members participated in an annual "On the Job" work day in the month of March. They spent the day in offices or places of business, obtaining the first-hand experience, which is so vital to a successful business operation. The business department of Webb City High School sent eight members to Cassville, for the District FBLA Skills Events. Those members competed in fields such as clerical, accounting, stenography, typing and public speaking. IN HONOR SOCIETY . . .

Seventy-One Members

The National Honor Society posted a record membership of 71 students for the 1974-1975 year. Surpassing the previous record of 55 members by over 16 initiates, the National Honor Society became one of the largest organizations in the school—proving, once again, Webb City's high academic level.

IN MATH LEAGUE . . .

Grades Are Key

As in years past, the Math League was chosen because of high marks and excellence in Math. This year, however, they were helped a great deal by new calculators that could perform the more complicated mathematical functions, such as logarithms, sines, co-sines and tangents. Pictured Directly Above, Mr. Smart reviews problems of last League meet with senior members. Above Right, Co-sponsors Mr. Smart and Mr. Mammon study geometry proofs. Funds Raised

This year, the American Field Service was busily engaged in raising enough money to bring a foreign exchange student to America. Sucker day was once again a big event on the A.F.S. calendar, but there were also many other fund-raising activities. Pictured Left, A.F.S. officers. Pictured Below Center, A.F.S. members. Pictured Far Below, President Tony Stapleton and Vice-President Debbie Duckett confer over progress reports and membership sheets.

Talents Displayed

Art Club was developed with the main objectives of student interest and involvement in nearly all facets in the field of art. This organization covers nearly everything from the simplest sketches to the most complicated oil paintings. Special recognition was also given each month to one project that was designated as "Art Project of the Month" by Art Director, Mr. Dawson. Pictured Below Middle: Mr. Jack Dawson, Art Club Sponsor, works on a new creation. BY STUDENT SENATE . . .

Money Donated

The school year 1974-75 was a very busy year for the Student Senate of Webb City High School. The most extensive project was sponsored by the Student Senate and all of the organizations contributed for the cause. This was the purchase of a head-shampooer for the Children's Sunshine Home in Carthage, plus enough money to buy a fence to put around the home. Also the Student Senate officers went to St. Louis for a state convention. They stayed with different families in their homes. Members attended various meetings to learn new ideas about different projects for the school and the community. Pictured Far Upper Left: President Rusty Schell persuading students to contribute to the Sunshine Home. IN PEP CLUB . . .

Pride Abundant

Pep Club was perhaps the most important sports-related organization at Webb City High. These girls provided the spirited backing that spurred our teams on to victory. Without their support, our Big Red Machine would have no longer functioned. Pictured Above: The Webb City High School Pep Club. Pictured at Right: The Webb City Redettes. **FRONT ROW**, Top to Bottom: Shonna Drachenburg, Lorri Lynch, Shirley Danner. **MIDDLE ROW**: Pam McKee, Jamie Black, Tammy Cruzan, Hazel Venson, Linda Fransisco, Patty Wilbert, Susie Atwood, Sherrie Smith, Libby Harpole, Judy Richardson. **BACK ROW**: Terry Weaver, Sue Ropp, Julie Garvey, Tami Flood, Tyea Moore, Margret Lundien, Roxy Fair, Karen Brown, Kenna Wilson, Kim Green.

IN PARADES . . .

Redettes Perform

Halftime performances and appearances in various area parades made up a busy year for the Redette dance and Drill team. This year's Redettes worked hard to make every performance a great one, and indeed they achieved that goal. Pictured Below Left: Redette officers, Patty Wilbert, Co. BY CHEERLEADERS, CHANTERS . . .

Spirit Inspired

Cheerleaders and Chanters are responsible for inspiring Webb City's great team spirit. Pictured Bottom Right: Teresa Addison, Barbara Daniels, Jennie Maples, Sherrie House, Donnita Stokes, and Donna Fojas, Wrestling Chanters.

ON PROM NIGHT . . .

Juniors Host Seniors

Prom night proved to be a successful and memorable one thanks to "Full Circle", a band from Joplin, and the Junior's determination to have a memorable prom for the Seniors. The atmosphere and surroundings seemed to reflect the theme of "A Time for Us." Everyone enjoyed themselves, the band, and all of the refreshments. The senior class of 1975 congratulates the junior class for a job well done on this year's Junior-Senior Prom.

OVER MILITARY BALL . . .

Charlotte Reigns

This year's R.O.T.C. Military Ball was, as always, one of the high points of the 1975 school year. Miss Charlotte Mathis was crowned R.O.T.C. Queen and she was attended by Junior Debbie Tyndall, Sophomore Cindy Dabes, and Freshman Kenna Wilson. During the ceremonies Queen Charlotte was given a bouquet of red roses and Battalion Commander Bryan Jones bestowed the traditional crowning kiss to highlight the ceremonies. Music for the dance was provided by "The Blade", a band from Pittsburg, Kansas.

Webb City Cadets Pass

R.O.T.C. cadets at Webb City High School worked hard in 1975. Hard work paid off when Webb City's Drill Meet Squad placed second in state drill competition and achieved various other honors throughout the year. The R.O.T.C. units participated in the annual federal inspection, and were led by Battalion Commander Bryan Jones. The inspection was conducted by Lt. Col. Terry James. Webb City also had the first fully enrolled, federally issued, all girl drill team in the area. The work was supplemented by special activities planned for cadets, which helped make 1975 a great year for R.O.T.C.

Sports

Football Queen

Miss Tammy Cruzan was chosen the 1974 Football Homecoming queen in the midst of one of the most successful seasons that the Webb City Cardinals have had in the Big Ten conference. Crowned at half-time during the Webb City-Cassville game, Miss Cruzan symbolized the encouragement given our 1974 football Cardinals. Tammy's attendants are pictured on the opposite page. They were, Karen Morris, freshman attendant; Susan Campbell, sophomore attendant; Tammy Hoffmann, junior attendant.

IN 1974 . . .

Cardinal Football

Three games figured prominently in the 1974 Big Ten football season as Webb City and Nevada, the two conference powerhouses, battled for the Big Ten crown. The first of these games occurred at Neosho as Webb City locked horns with the Wildcats in a defensive struggle that ended in a 14-14 stalemate. Then, on November 1, 1974, the Nevada Tigers met the Webb City Cardinals in what was probably the single most important conference game of the year. At stake for Nevada was an unprecedented 20 game winning streak, the conference championship, and a state play-off berth. Webb City also had the Big Ten title and the state play-offs in mind as they took the field. In the end, Cardinal execution proved superior as they upset the Tigers 13-9. It looked as if Webb City was headed for an undefeated season until a week later when Monett beat the Cards 28-0. This eliminated Webb City in the Big Ten race and the Cards finished with an 8-1-1 record. Congratulations are in order to both the coaches and team for an outstanding season.

Basketball Queen

The 1974-1975 Basketball Homecoming queen, Miss Barbara McAfee, appeared to be just what the team needed in terms of spirit and encouragement. Crowned during halftime at the game against the Carthage Tigers, Miss McAfee seemed to spark the team into a winning streak that lasted for the rest of the season. Barbara's attendants were: Freshman Gina Webb, (pictured far right), sophomore Lynette West, (pictured below), and junior Jamie Black (pictured below right).

"TO BIG 10 TITLE". . .

Sallee Leads Cards

The Webb City basketball team was a darkhorse candidate for the conference title in the 1974-1975 season. With the loss of all five of the starting line-up from the preceding year, the young cardinals looked at best, average in the conference running. However, execution, speed and teamwork combined to bring the Cards their second Big Ten crown in two years.

IN BASKETBALL . . .

Big Red Dominates

The Big Red scoring attack was led by junior John Bailey who averaged 15.7 points a game. Rebound honors were claimed by John Wynne who pulled in 182 missed goals during the season. The remainder of the starting five were Tracy Prigg, Rod Sentlinger and Jim Maxwell all of whom were instrumental in composing a 7-2 conference record and garnering a share of the championship.

Wrestling Queen

The first annual wrestling homecoming took place on January 23, 1975 in the Cardinal Gymnasium between the junior varsity and varsity matches. This started a new tradition for the Cardinal grapplers. This "new tradition" became a successful one as the Cards were able to overpower Baxter Springs in both the junior varsity and varsity matches. The first Homecoming Queen was Senior Kathy Harding and her attendants were: At right, Junior Jenny Maples, at far right, Sophomore Sue Ropp, and at bottom right, Theresa Addison.

IN WRESTLING . . .

Popularity Increases

Coach Charles Meadows 74-75 grapplers also incorporated change in their transition from a secondary sport to a major sport at W.C.H.S. This season's wrestlers were the first in southwest Missouri to have a homecoming. The Redbirds garnered second place in the conference and had their fifth straight winning season with an 8-3 record. Randy Spencer was the only wrestler to advance to state but various participants placed in districts and regionals. The matmen had their biggest following of fans this year as popularity in wrestling greatly increased due to another winning season and the innovation of their first annual homecoming. Pictured Left: Coach Meadows and the Junior Varsity team. Pictured Above Left: Varsity wrestlers.

TO 9-8 SEASON . . .

Campbell Hurls Cards

Senior hurler Richard Campbell set a school record during the 1975 baseball campaign by throwing two no-hit games. Campbell finished the season with a 7-2 record in carrying Coach Kendall Hunt's Baseball Cardinals to a 9-8 seasonal record. KNEELING: Jim Roth, Tim Carr, and Tom Campbell. The 1975 Cardinal Baseball Squad.

Hunt Directs

Throughout the season, the Baseball Cardinals proved to be one of the best teams in the Big 10 Conference. Pictured Directly Below: Coach Kendall Hunt gives the players a pep talk before Big 10 game. Pictured Far Below: Senior Tom Campbell connects for a base hit, while catcher and umpire look on. Below Right: Terry Brake steps into batter's box and prepares to hit.

BY LINKSMEN . . .

Experience Gained

Cardinal linksmen showed signs of promise for next year during the 1975 season. While graduating only Senior Rick Durbin, Coach Correl can look forward to the return of most of his squad. Accumulating a 3 and 10 record, the Cardinal linksmen participated in many tournaments such as the Aurora, Big 10, and District dual matches. Pictured at Left are Darrell Clark and Alan Wilbert; sophomores, and freshmen Rocky Schell, Chuck Land, and Micky Page. Pictured at Lower Right—Coach Richard Correl demonstrates tee-off style.

IN TRACK . . .

Effort Emphasized

One senior, Rusty Schell, and three sophomores, Wayne White, Chris Baldwin, and Scott Cooley figured prominently in the Cards' 1975 track season. Schell ran the 100, 220, and 440 yard dashes turning in a top time in the 220 of 23.0 seconds. White was the top performer, bringing home 18 medals and advancing to the state meet. He turned in top times in the mile and two mile of 4:42 and 10:28 respectively. Baldwin turned in his best time in the 880 at 2:09. Cooley, the top pole-vaulter, had a top height of 11'9".

Girls Participate

Mrs. Beverly Jones' female thinclads enjoyed a very successful season in 1975. The year culminated in state competition with eight girls traveling to the state meet in Moberly, Missouri. During the regular season the girls garnered four first place honors and five seconds out of the eleven meets in which they participated. Next year looks just as promising as most of this year's squad was dominated by underclassmen. Plans were also being made for additional girls' sports here at W.C.H.S. in 1976.

W-CLUB AND FCA . . .

Athletes Active

There are two athletic organizations here at Webb City High School. These groups are the "W" club and the Fellowship of Christian Athletes. To join the "W" club the student must have lettered in some recognized school sport. The Fellowship of Christian Athletes was one of the new changes in 1975. Pictured Above is the "W" club. BY CLASS OF '76 . . .

Talent Displayed

The junior class of 1976 exhibited initiative and drive in both academics and extracurricular activities. In sports especially the juniors were a powerful factor. In football they comprised most of the excellent defensive unit for the Cardinals and in basketball, they supplied the five starting regulars. In short, the juniors provided an integral part of the fabric of Webb City High School. Pictured Below, ROW ONE: Valerie Adams, Connie Alumbaugh, Stan Amweg, Susan Babbitt. AS TOP STUDENTS . . .

Martin and Clark Honored

Graduation brought the 1974-75 school term to a close for the class of '75. Leading the Class of '75 were Carol Martin and Bruce Clark. At Commencement Bruce stressed the need for individuality in his salutatory speech. Carol, as Valedictorian, summarized the feelings of the Senior class as they passed through Junior and Senior High School. These years were, as she stated, only a few minutes as the hands of time started moving around the clock of life. Changes will come to all of us in the future, as they have come in the past. And with these changes will come a greater maturity and individuality.

. . . Yesterday is but a dream,
And tomorrow is only a vision;
But today, well lived, makes every
yesterday a dream of happiness,
And every tomorrow a vision of hope.
—Kalidasa
